

## “Catherine”: PARTI SAPPHIRE (BLUE & YELLOW)

This month’s Catherine Colorway Club design is inspired by all the images I’ve seen of beautiful Parti Sapphires. These multi-colored gems are hot and only growing in popularity. I designed this one in a lovely soft yellow and blue colorway.

Sapphires come in all colors of the rainbow and in all shades and saturations. The difference in color is due to the presence of trace elements in its molecular structure.

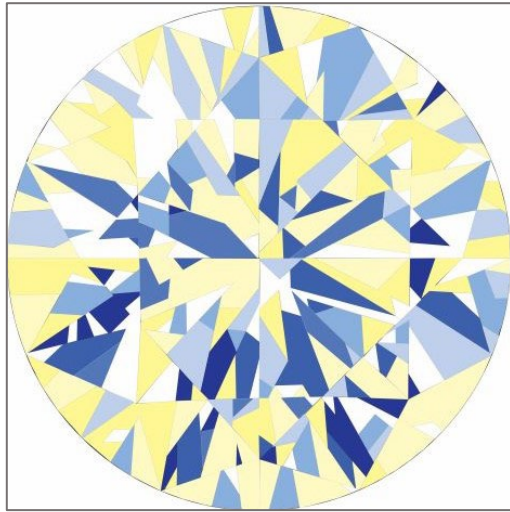

Enjoy!
